

OCTOBER 5–7, 2017, VILNIUS, LITHUANIA

2ND VILNIUS SUMMIT ON COMMUNICABLE DISEASES

OCTOBER 4–7, 2017, VILNIUS, LITHUANIA

14TH CONGRESS OF THE BADV

OCTOBER 5-7, 2017, VILNIUS, LITHUANIA

2ND VILNIUS SUMMIT ON COMMUNICABLE DISEASES

OCTOBER 4-7, 2017, VILNIUS, LITHUANIA

[HTTP://WWW.BADV2017VILNIUS.ORG](http://www.badv2017vilnius.org)

Tuesday, October 3, 2017

Centre of Communicable Diseases and AIDS, Nugalėtojų 14 D, Vilnius

9:00-17:00 Northern Dimension Partnership on Public Health and Social Wellbeing (NDPHS) Expert Group on HIV, TB and Associated Infections meeting
Chair: A. Arsalo (Finland)

Wednesday, October 4, 2017

Lithuanian Academy of Science, Gedimino Av.3, Vilnius

Big hall

08:15-17:00 REGISTRATION

9.00 Welcome message on behalf of MoH (Ausra Bilotiene - Motiejuniene) and Lithuanian Academy of Science (Vytautas Basys)

Key lecture: The Battle Over Genome Editing. Virgilijus Siksnys (TBC), Lithuania

9:30-11:00 Symposium A „Vaccine-preventable infections“
Chairs: R. Butler (WHO), M. Skerlev (Croatia), A.Kozlov A (Russia)

European Vaccine Action Plan. Life time vaccination good practice and challenges. Robb Butler, WHO, Copenhagen (TBC)

New vaccines implementation challenges in Lithuania. Nerija Kupreviciene, Lithuania

Vaccination in Latvia (TBC)

HPV and men in the global context of the vaccines. Mihael Skerlev, Croatia

Therapeutic HPV vaccination. Maria Issagouliantis, Sweden

11:00-11:30 Health Break

11:30-13:00 Symposium B "Communicable diseases and social determinants of health"
Chairs: A. Arsalo (Finland), M. Mardarescu (Romania)

On behalf of ND, topic on HIV and AI (title TBC). Ali Arsalo, NDP, Finland

New Nordic Council of Ministers' Cooperation Programme in Northwest Russia: mobilising resources for better response: HIV and associated infections, 2017-2018. Dmitry Titkov, Finland

Public health dimension in balanced drug policy: aim and measures. Inga Juozapavičienė, Lithuania

The Sialon II Project - integrating bio-behavioural survey among men who have sex with men in 13 European countries: project results and recommendations. Lorenzo Gios and Massimo Mirandola, Italy

Behavioural changes in the Romanian young population and their effect on HIV transmission. Mariana Mardarescu, Romania

13:00-14:30 Lunch Break

14:30-16:00 Symposium C "Tuberculosis"
Chairs: M. Dara (WHO), T. Ulrichs (Germany), M. Danilovits (Estonia), M Singh (Germany)

Strategies of TB containment in the EU. ECDC representative, Stockholm (TBC)

Masoud Dara, WHO, Copenhagen (title TBC)

Challenges in TB control in Eastern Europe. Timo Ulrichs, Germany

TB control in Lithuania. Kestutis Miskinis, Lithuania

Challenges in TB control in Estonia. Manfred Danilovits, Estonia

Tuberculosis (title TBC). Anne Marte Bakken Kran, Norway

TB control in Belarus (TBC). Alena Skrahina, Belarus

TB control in the Russian Federation, collaborative projects with EU in within the Northern Dimension Partnership (TBC). Anna Starchinova, Russian Federation

New Approaches to TB Diagnostics. Mahavir Singh, Germany

Genotypic diversity of Mycobacterium tuberculosis in patients with a combination of TB and HIV infection. Diana Vakhrusheva, Kseniya Belousova, Tatyana Umpeleva and Sergey Skornyakov, Russian Federation

16:00-16:30 Health Break

16:30-18:30 OPENING Plenary
Chairs: A.Veryga (Lithuania), M.Dara (WHO), M. Catchpole (ECDC)

Video message from European Commissioner Vytenis Andriukaitis

Welcome message. Ministry of Health Aurelijus Veryga, Lithuania

Welcome message on behalf of Lithuania academy of science

Challenges in Communicable Diseases - WHO perspective. Masoud Dara, WHO, Copenhagen (title TBC)

Continuum of HIV Care and antimicrobial resistance. Mike Catchpole, ECDC, Stockholm

Jean-Luc SION European Commission DG SANTE (TBC)

On behalf of UNAIDS. Vinay Saldanha, UNAIDS, Moscow (TBC)

19:00-21:00 Get-Together

Thursday, October 5, 2017

Lithuanian Academy of science, Gedimino Av.3, Vilnius

Big hall

Small hall

08:15-17:00 REGISTRATION

9:00-9:15 Welcome A. Rubins, S. Valiukeviciene, S. Caplinskas

9:15-10:00 Key lecture: Pruritus management in patients with chronic internal diseases. Jacek Szepietowski, Poland

10:00-11:00 PLENARY A "STI"
Chairs: A. Poder (Estonia), M. Domeika (Sweden), I. Jakobsons (Latvia)

Oral Poster session „PH bureau activity“

Trends of STI-s in Europe. Airi Poder, Estonia

Facing co-morbidity response challenges (perspective from Lithuania). Saulius Caplinskas, Lithuania

Gonorrhoea and Chlamydia (epidemiology, diagnostics and therapy) in Latvia. Ilze Jakobsons, Latvia

Clinical Manifestations of Congenital syphilis. Vesta Kucinskiene, Lithuania

Syphilis. Silvestrs Rubins, Latvia

Sexual behaviour and STI (Lithuania population representative studies results). Agne Simkunaite – Zazecke and Irma Caplinskiene, Lithuania

STI management - evidence based international approaches and international collaborative projects. Marius Domeika, Sweden

11:00-11:30 Health Break

11:30-13:00 Plenary B "HIV"
Chairs: Y. Shao (China), C. Moog (France), E. Karamov (Russian Federation)

Oral Poster session „ULAC (Centre of Communicable Diseases and AIDS) initiatives“

On behalf of WHO, topic HIV/STI/VH/TB. Masoud Dara, WHO, Copenhagen (title TBC)

ULAC posters exhibition

	Basic Research Design and Clinical Evaluation Strategy for HIV Vaccine, Based on Replication-Competent Viral Vector. Yiming Shao, China	
	Lessons learned from HIV patients that control infection. Christian Moog, France	
	Late presentation in HIV infection. Cristina Mussini, Italy	
	Risk factors involved in late detection of HIV mother to child transmission - data from the National Registry of HIV pregnant women and perinatally exposed children in Romania. Mariana Mardarescu, Romania	
13:00-14:30	Lunch Break	
14:30-16:00	PLENARY C "Psoriasis" <i>Chairs:</i> M-A. Richard (France), J. Szepietowski (Poland), E. Christophers (Germany)	Poster presentation / Satellite session
	The manifold faces of psoriasis. Enno Christophers, Germany	
	The New Aims in Psoriasis Treatment. Jacek Szepietowski, Poland	
	Treatment of severe psoriasis in children. Jurgita Karciauskiene, Lithuania	
	Methotrexate prescription in others skin condition than psoriasis. Marie-Aleth Richard, France	
	Enthesitis as a predisposing factor of psoriatic arthritis in patients with nail psoriasis? Tatjana Sidorcika, Latvia	
16:00-16:30	Health Break	
16:30-18:00	PLENARY D "Acne, Hidradenitis and Pruritus" <i>Chairs:</i> C. Zoubulis (Germany), V. Kucinskiene (Lithuania),	Poster presentation / Satellite session
	European guidelines for hidradenitis suppurativa management. Biological role and evidence based potential. Christos Zoubulis, Germany	
	Biological role for auto inflammatory PASH syndrome. Vesta Kucinskiene, Lithuania	
	What's new in the management of Acne. Christos Zoubulis, Germany	
18.00-19.00	Visit to the Vilnius University (University St. 7, Vilnius)	
19.00-22.00	Dinner (Venue: Vilnius University Department of History Cafe, University St. 7, Vilnius)	
Friday, October 6, 2017		
Lithuanian Academy of science, Gedimino Av.3, Vilnius		Archangel Conference and Arts Centre, Maironio St. 11
	Big hall	Small hall
08:15-17:00	REGISTRATION	
09:00-11:00	Free Communications / Case report session A <i>Chairs:</i> E. Buinauskaite (Lithuania), M.Septe (Latvia), P. Kohl (Germany)	Free Communications / Abstract based Case report session B
10:00-13:00	Symposium D „HIV and AI“ <i>Chairs:</i> V. Eremin (Belarus), E. Leskovsek (Slovenia), T. Reic (Belgium)	
	How to be happy being a doctor. Evelina Buinauskaite, Lithuania	Continuum of HIV Care. Mike Catchpole, ECDC, Stockholm
	The first surveillance and molecular characterization of environmental Legionella pneumophila strains isolated in Lithuania: a 4-year survey. Povilas Kavaliauskas, Lithuania	

	The significance of high frequency ultrasound and spectrophotometry in diagnostics of melanocytic skin tumours. Gintare Linkeviciute, Lithuania	Seasonal influenza vaccine effectiveness against laboratory-confirmed influenza in 2015-2017: A hospital-based test-negative case-control study in Lithuania. Monika Kuliese, Lithuania	HIV modelling (WHO, ECDC or Lithuanian representative TBC)
	Experience removal of benign tumours of the skin in problem face areas. Ingrida Ritina, Latvia		HIV epidemiological situation and response in Estonia. Kristi R��utel, Estonia (topic to be confirmed)
	Side effects in cosmetic dermatology. Alena Soha, Latvia		Building a repository to support HIV research, the experience of the Centre for AIDS Reagents. Yan Le Duff, UK
	Dissecting folliculitis: a clinical case and review of literature. Alise Balcere, Latvia		Impact of recombination on HIV-1 evolution: viral loads and immune response. Feng Gao, USA
	Rosacea complication – Rhynophyma. Evita Jakusonoka, Latvia		Apoptosis in HIV infection. Sergey Zhavoronok, Belarus
	4 interesting case reports in dermatovenerology. Marcis Septe, Latvia		HIV-1 molecular epidemiology in Moscow. Miguel Thomson, Spain
	What is your diagnosis? – 5 interactive cases from Berlin. Peter Kohl, Germany		Presentation on genotypes / subgenotypes / subtypes of HIV and viral hepatitis in different groups of patients (IDUs, infection with medical manipulation, sexual transmission, mother-to-child transmission). Vladimir Eremin, Belarus
	Case report. Angelika Krumina, Latvia		HIV and TB Co-infection in Russia. Eduard Karamov, Russian Federation
	Psoriasis and Lichen pityriasis Chronic of type I hypersensitivity background. Iveta Rubule, Latvia		PrimerID–tagged Deep Sequencing Analysis of Transmitted HIV-1 Variants among Acutely Infected People Who Inject Drugs Confirms the HIV-1 Transmission Bottleneck. Andrey Kozlov, Russian Federation
	Forgotten diseases in Europe but not in Africa. Evelina Buinauskaite, Lithuania		Automated Cell Culture, HIV Virus Production, and Cell-Based Assays. Anke Schultz and Anja Germann, Germany
			Increasing HIV epidemy in Slovakia - challenge to reach UNAIDS goals "90-90-90". Danica Stanekov��, Slovakia
			Sexual behaviour and HIV/STD prevention - the Slovenian experience. Evita Leskovsek, Slovenia
			On behalf of European Liver Patients' Association (ELPA) (title TBC). Tatjana Reic, Belgium
11:00-11:30	Health Break		
11:30-13:00	SYMPOSIUM E „Dermatology and internal medicine“ <i>Chairs:</i> A. Bulinska (Australia), U. Adaskevich (Belarus)	Poster presentation / Free Communications / Satellite session C	Symposium D „HIV and AI“ (contin.) <i>Chairs:</i> V. Eremin (Belarus), E. Leskovsek (Slovenia), T. Reic (Belgium)
	Primary Cicatricial Alopecias. Uladzimir Adaskevich, Belarus		
	Biological therapy in patients with psoriasis and hepatitis. Viktorija Vilkickaite, Lithuania		

13:00-14:00 Lunch Break				
14:00-15:15	Symposium F „Cutaneous oncology and surgery“ <i>Chairs:</i> K. Eisendle (Austria), M. Rone-Kupfere (Latvia), A. Kozlov (Russia)	Poster presentation / Free Communications / Satellite session D	Symposium G „AM resistance“ <i>Chairs:</i> M. Catchpole (ECDC), C. Mussini (Italy), I. Zurlyte (WHO)	
	Diagnosing of pigmented and non-pigmented skin lesions by dermatoscopy. Agata Bulinska, Australia		Antimicrobial resistance. Mike Catchpole, ECDC, Stockholm	
	The new oncological theory and it's possible practical application. Andrey Kozlov, Russian Federation		Issue of antimicrobial resistance and management situation in Lithuania. Akvilė Kenstavičienė, Rolanda Valintėlienė, Hygiene Institute, Lithuania	
	Actinic keratosis - what is hot and what is not. Evelina Buinauskaite, Lithuania		Improve antimicrobial resistance in endemic countries. Cristina Mussini, Italy	
	Peculiarities of the pathogenesis and locoregional recurrence in case of head and neck basalioma. Jelena Moisejenko – Golubovica, Latvia		From stable to table – the AMR situation in the field of animal health. Vidmantas Paulauskas, Lithuania	
	Surgery, flaps and grafts. Klaus Eisendle, Austria			
	Early detection of Melanoma – why, who and when? Reuven Bergman, Israel			
	Treatment technologies for face in modern dermatology. Mara Rone Kupfere, Latvia			
	15:15-16:30	Symposium H „Skin fragility and inflammation“ <i>Chairs:</i> A. Rubins (Latvia), D. Zaslavsky (Russia), K. Kingo (Estonia), K. Eisendle (Austria)	Poster presentation / Free Communications / Satellite session E	H Poster satellite discussion Communicable Diseases and Public Health (up to 5 minutes)
		Dermatology – practical notes. Andris Rubins, Latvia		Presentation from the National Blood Bank (topic to be confirmed)
Questions of neonatal and infant dermatology. Denis Zaslavsky, Russian Federation			Implementation of vaccination against flu promotion programme among pregnant women in Kaunas County and programme results, Kristina Rudžinskaitė, NPHC Kaunas Department	
Dermatologic diseases of the breast and nipple. Klaus Eisendle, Austria			Activities of Kaunas County Antimicrobial Resistance Control Group, Orina Ivanauskienė, NPHC Kaunas Department	
The possibilities of clinical research on chronic inflammatory skin diseases. Külli Kingo, Estonia			Communicable diseases in incarceration settings, Irma Urbonienė, Prison Department under the Ministry of Justice of the Republic of Lithuania, Health Care Division	
Contact Dermatitis – Diagnosis and Treatment. Silvestrs Rubins, Latvia			Quality assessment of HIV prevention in Klaipeda, Brigita Kairienė, NPHC Klaipeda Department	
Dead Sea Minerals in Dermatology. Orit Palti, Israel			Tuberculosis situation and prevention means in Kaunas in 2012–2015. Kaunas Municipality Public Health Office (to be confirmed)	

			Epidemiological consistent patterns of rotavirus infection in Lithuania, 2006-2016, Ginreta Valinčiūtė, Giedrė Aleksienė, Robertas Petraitis, NPHC
			Intestinal infections. Key prevention means. Karolina Prankienė, Panevezys Public Health Office
			Tick-borne diseases and epidemiological situation. Natalija Abramova, Egle Orechovienė, Biruta Zdanevičienė, NPHC; Milda Žygutienė, ULAC (topic and speakers to be confirmed)
			Presentations from the National Public Health Laboratory (to be confirmed)
			Intestinal infections. Key prevention means, Karolina Prankienė, Panevezys Public Health Office
			Tuberculosis situation and prevention means in Kaunas city 2012–2015, Ivetta Kučinskaitė, Kaunas Public Health Office
			Presentations from the Public Health Offices (topics and speakers to be confirmed)
			ULAC presentations (topics and speakers to be confirmed)
16:30-17:00 Health Break			
17:00-18:30	Symposium I „Melanoma“ <i>Chairs:</i> S. Valiukeviciene (Lithuania), R. Bergman (Israel), A. Bulinska (Australia), A. Berzina (Latvia)	Poster presentation / Free Communications / Satellite session F	
	Use of dermatoscopy in diagnosing malignant neoplasms deriving from epidermis. Agata Bulinska, Australia		
	Dysplastic nevi – good or bad for the patient? Anna Berzina, Latvia		
	Early detection of Melanoma – why, who and when? Reuven Bergman, Israel		
	What is important for the management of melanoma. Skaidra Valiukeviciene, Lithuania		
19.00-20.00			Visit to the Church Heritage Museum (Maironio St. 11)
20.00-23.00			CLOSING CEREMONY and Gala Dinner (Venue: Archangel Conference and Arts Centre, Maironio St. 11)
Saturday, October 7, 2017			
08:30-15:00	SATELITE SYMPOSIA	COURSES	WORKSHOPS
